## ADVERTISING DISCOUNTS AND PREMIUMS

### Agency Commission:
15% of gross billing is allowed to recognized agencies for space, color and position, provided that the account is paid within 30 days of invoicing. Commission is not allowed on SEMA News Special Advertising Opportunities. Also, commission is not paid on other charges, such as insert handling, special bind-in, trimming of inserts, reprints or other mechanical charges and non-display advertising.

### SEMA-Member Discount:
All current SEMA members receive a 10% discount off ROP published rates (except special ad sections).

### Inserts:
Call our production department for complete details on space and bindery costs. Publisher requires samples of all inserts for approval before publication. All current SEMA members receive a 10% discount off published rates.

### Special Position Premiums:
Special position requests are noncancelable except with 10 days’ notice prior to advertising material due date. Guaranteed positions (other than covers) will be charged an additional 10% premium. Contact publisher for rates and availability; all positions are subject to advertising/editorial approval.

### Non-Standard Advertisement Sizes:
SEMA News can accommodate some ad sizes not contained in this rate card; however, an additional 15% over published rates for similarly sized advertisements applies. Due to varying package size, nonstandard-size ads must be approved by publisher.

## GENERAL ADVERTISING POLICIES

### Commission and Cash Discounts:
Agency Commission: 15% to recognized agencies.

### Overdue Accounts:
Failure to pay on time could result in termination of credit arrangements; a late fee of 5% per month is charged to past-due accounts.

### Rate Protection:
New rates are immediately applied to business not previously covered by a bona fide contract.

### Mechanical Requirements:
SEMA News is printed in process colors only (no mechanical colors). Therefore, SEMA News cannot accept any advertisements containing PMS colors. Materials sent in PMS colors will be separated into CMYK. Any additional cost involved to complete preparation of the ad (typesetting, stripping-in type, photos or logos, film, duplication, etc.) will be billed to the advertiser.

### Payment Terms:
Invoices are dated as of the issue date and are due and payable upon receipt in U.S. funds drawn on a U.S. bank. Publisher looks to advertising agency placing the insertion order for payment; however, publisher retains the right to hold the advertising agency and the advertiser jointly liable for monies due and payable to the publisher, and the agency warrants by submitting the insertion order that it and the advertiser have accepted this responsibility. Publisher will not be bound by conditions printed or otherwise on contracts, order blanks or instructions when such conditions conflict with its policies.

### Credit Procedures:
All first-time advertisers in SEMA News are required to pay in advance for their first advertisement. First-time advertisers will also be required to fill out a credit application form provided by SEMA.

## PRODUCT AND CATALOG SHOWCASE

### June and November:
Generate buzz for your products and services in the Product and Catalog Showcase in the June and November issues of SEMA News. Simply provide a four-color image of your new product or your catalog cover, along with about 75 words of text, and we’ll build a 1/6-page ad for only $250 per each insertion.

### Digital Advertising:
Digital advertising is available. Contact your industry sales team (909-396-0289 or sales@SEMA.org) regarding digital advertising opportunities and special current advertiser discount packages.

PRINTING SPECIFICATIONS

Printing: Web Offset; 4-color process (CMYK).

Trim size: 8" wide x 10.875" high. Keep all live matter .375" from outside trim and gutter.

Bleed: Only permitted on full page, spread, and tab pages. Must extend .125" beyond trim size on all sides and include printer’s trim marks.

Spreads: Account for gutter (inside margin) when running type and art across left- and right-hand pages.

Please Note: Advertiser assumes all responsibility for files that do not output correctly due to errors or omissions during construction. Design assistance is subject to hourly charge.

AD PREPARATION

SEMA NEWS requires that all ad files be submitted as single-page, high-resolution PDF or PDFx1a files. For multiple ads, send each ad in a separate PDF file.

Document Set Up: Do not build ad on default paper size of 8.5”x11”. Set the document page size to match SEMA News’ ad trim size exactly.

Export PDF: Use PDFx1a settings.

PDF PRODUCTION REQUIREMENTS

Color: Must be sent in CMYK format. No RGB files accepted. Color accuracy is the responsibility of the advertiser and will be held to GRACoL/SWOP standards.

B&W: Art must be sent in Grayscale or Bitmap format.

Images: Minimum resolution of 300 ppi (color or grayscale files) and 1,200 dpi (bitmap or line art files). Images and logos from websites are not usable for print, as they are low resolution (72 ppi). Never resample up images, rather scan at high resolution to start. If using image compression, use only maximum quality or lossless compression.

Fonts: Embed all fonts in PDF file.

Proofs: It is highly recommended that a GRACoL/SWOP certified color profile be applied to the ad. SEMA News will assume supplied materials are in compliance with current industry specifications. SEMA News does not accept responsibility for reproduction or color matching if not using an approved color profile. Printer will match color on press as closely to color profile as web offset printing allows.

AD SUBMISSION

Upload your ad to www.sema.org/ftp (100 MB maximum file size).

For your protection, we will preflight your ad in preparation for printing. If there are any errors, you will be sent an email and given the opportunity to correct them.

Your SEMA News ad files will be stored for two years at no charge. Two years from the date of your original ad submission your ad file will be removed from our archives. If you require other storage arrangements, contact the production manager.

GENERAL ADVERTISING POLICIES

Publisher's Protective Clause: By the issuance of this rate card, publisher offers, subject to the terms and conditions herein, to accept insertion orders for the advertising to be published in SEMA News. By their tendering such insertion order, the advertiser or agency shall indemnify and hold publisher, its employees, agency and subcontractors free and harmless from any expenses, damages and costs (including reasonable attorney fees) resulting in any way from publisher's compliance with such insertion order (including, but not by way of limitation, from claims of libel, violation of privacy, copyright infringement or otherwise). Publisher shall have full right to settle any such claim and to control any litigation or arbitration in which it may be a party—all at the cost of the agency and the advertiser who shall be deemed joint and several indemnitors. Agency warrants that it is authorized to bind, and does bind, advertiser to such indemnity jointly and severally with agency. Publisher reserves the right to discontinue publication at any time with or without notice, or to defer or cancel the printing, publication or circulation of any issue or of the tendered advertising, and shall not be liable for any failure to print, publish or circulate all or any portion of an issue or the tendered advertising because of labor disputes involving the publisher, printer or others, transportation delays or embargoes, errors or omissions of employees or subcontractors or circumstances beyond its control. Publisher's sole obligation as to any failure or default on its part shall be limited to a refund of its charges which may have been paid to, or, at its option, to publish the tendered advertising in its next available issue. The publisher reserves the right to reject or omit any advertising for any reason. No advertising will be accepted that simulates SEMA News editorial material.
